rooms & layout

Will my event be in a private room at the restaurant?

We accommodate special events in our restaurant dining areas – Main Dining Room, Room A, Room B, Private Dining Room and Chef's Table located in the kitchen- or by closing our business to the public.

Is there a separate buyout fee to close the restaurant?

Our pricing is structured as a package price which includes the value of the business lost by closing to the public, based on day/date/time of the event, as well as the cost of food and beverage arranged for the event, as determined by the number of anticipated guests, and ultimately menu selections.

vendors

Can I use my own vendors?

Absolutely. In the interest of personalizing your event, we welcome outside vendors, including music, florist, decor, lighting, photography and videography. Alternatively, we are happy to share vendors with whom we've worked successfully in the past. All vendors must carry the required insurance that is stipulated in our contracts. Please note we do not allow outside cakes as we have an in-house bakery.

Do you provide vendor meals?

Vendor meals (i.e. for musicians, DJ, photographer, etc.) working with your event are to be requested 1 week prior to the event date and are an additional charge. The meal includes the chef's choice of hot entrée and non-alcoholic beverages.

transportation

Is transportation readily available for my guests after a wedding?

All cars, taxis, vans and buses can drop off and pick up out front. If using a car service, it is recommended that arrangements for private car service be made directly with a car service company at least 24 hours prior to the event.

parking

Is there parking available for my wedding guests?

Parking garages are conveniently located nearby. Additional charges apply.

Any administrative charge, and any captain fee, bar set-up fee, coat check fee, and supplemental staff fees (if applicable), are not gratuities and will not be given to the wait staff or any other employee. These fees will be retained entirely by the restaurant as part of the contract price that is used to cover costs and overhead relating to the catered event. The banquet wait staff receive the 19% service charge and are notified that the administrative charge and other fees are not intended to be a gratuity and will not be distributed to them.

We invite you to contact us for a customized proposal, detailing pricing and fees, based on your anticipated date and group size.
